## How to play the game

1. Install free ActionTrack app from App Store or Google Play. Start the app and join the game.
2. Your target is to form bingo lines on your coupon by catching virtual bingo balls outdoors. You may form horizontal, vertical and diagonal bingo lines. All are accepted.
3. You may see your 5x5 bingo coupon on the map, just zoom in/out and pan.
4. In the beginning, there are 15 bingo balls right away available in the game area. A new bingo ball is drawn roughly every minute, and the new ball appears somewhere on the map. Lottery animation can be set off (or on) using the SETUP at the bottom of the bingo coupon.
5. To create a mark on your coupon, you need to catch a bingo ball that matches any number on your coupon. To catch a ball, simply go to the ball. You may touch the ball icon on your mobile device screen to see the actual area on the map where you need to go.
6. Notice that also the sum of the last two balls caught is accepted. For example, If you catch the balls 10 and 7, and you have the number 17 on your coupon, you'll get a mark on it.
7. The first players to form 1 line, 2 lines and full house bingos will get 1000, 2000 and 5000 points, accordingly. Other players will get 100, 200 and 500 points, accordingly.
8. In addition, the first players to get 5 marks, 10 marks, 15 marks and 20 marks on their coupon get 100 points each.
9. The game ends after 10 minutes from the moment the first player forms a full house bingo.

## Warning
