

ActionTrack – Team games service for event professionals

- by **Team Action Zone**
- Multi-award-winning technology provider

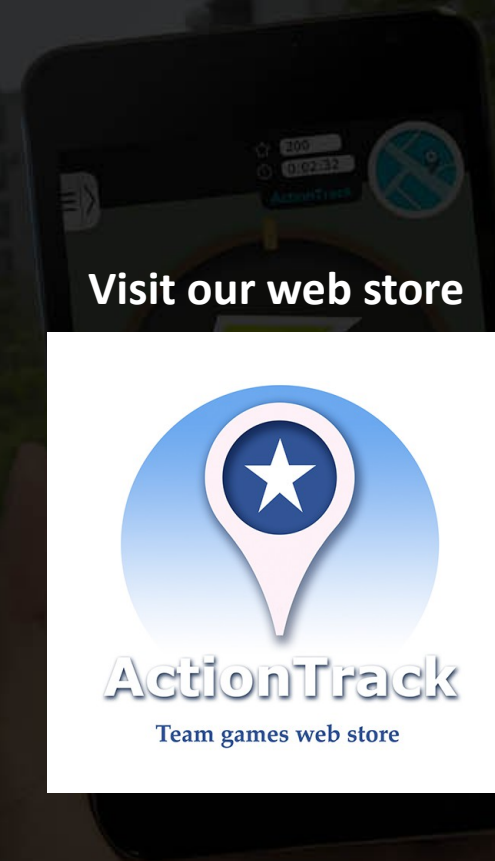

"Organizing engaging, productive and fun team events has never been this easy!"

Get started with “Pay per use” – No license needed

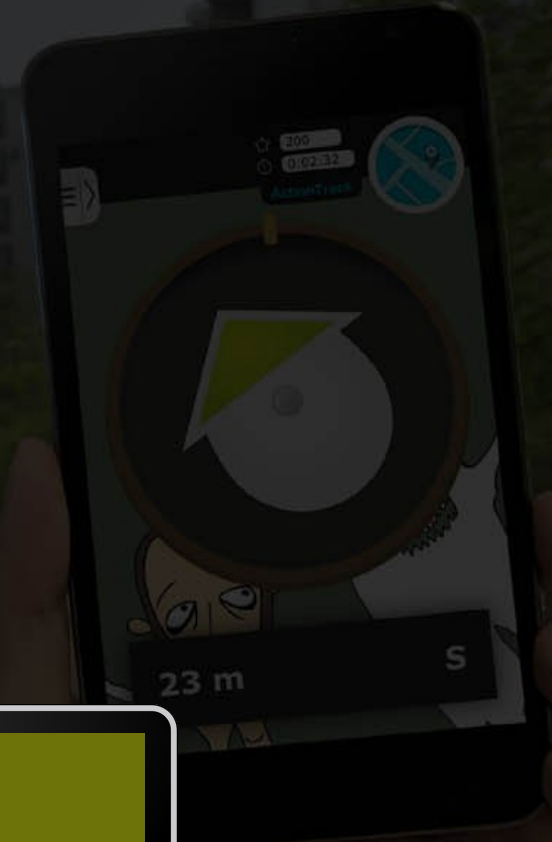

- We offer an award winning team event service with an extensive mobile games library with the lowest cost
- To organize an amazing event, you only need to purchase a start code for the selected game (typical price: 25-200€)
 - With one start code, you can:
 - Add your own content to the games (quick customization)
 - Place an outdoor game anywhere in the world
 - Start the game for 24 hours when ready
 - Offer the game for selected number of participants
 - Access all results, team answers and statistics
 - Notice: Players access the game with their own tablets and phones

ActionTrack license – Freedom to use your imagination

- With ActionTrack license you may create your own templates for various team event types: virtual, indoors or outdoors
 - "Unlimited use" (starting from 500€/month) and "Pay-per-use" models (5-20€/device, depending on the number of event participants) available
- You may also purchase rights to use and modify our turnkey game templates for your own purposes and customers
- Watch what our licensees are saying

We have an extensive library of fun & activating games

- No other company can offer the flexibility and game design options ActionTrack can provide. As one customer told us recently:
 - “ActionTrack is not only 2-3 steps ahead of the competition, but 2-3 floors ahead!”
- View some examples from our game portfolio
