# Treasure of Captain Drake

You may catch any of the pirate items on the map and get basic points. The game gives you series of challenges to catch specific pirate items to get bonus points and to activate valuable treasure chests.

How to use the app

| Zoom the map in/out to see various pirate items	Touch icons to see their actual area and set targets	For targets use also arrow guidance (swap the view)	Walk to any pirate items to catch them and get points	Perform challenges to earn various bonuses

How to play the game

1. You see different colored pirate items on the map. You may go to any such to get 100 points.
2. The game gives you treasure chest challenges, which feature two items to be collected in a given order. The challenge can be for example: *"catch any blue item, and then any parrot"*.
3. If you fail to collect these two items, don't worry, you always get a new challenge.
4. If you succeed to collect the given two items, you get 1000 bonus points, plus a treasure chest worth 1000 points appears on the map.
5. If you collect a treasure chest as part of a challenge, you get 2000 points additional bonus. For example, in the above challenge (see section 2.) you may collect a blue treasure chest as the first item, followed by any parrot as the second item to complete the challenge.
6. If you collect a colored treasure chest outside a challenge, there is a small danger that it gets robbed away from you. Try to include a treasure chest as part of a challenge when possible.
7. If you succeed to perform 3 back to back treasure chest challenges you get 2000 points bonus, and you activate a hidden white treasure chest, worth 5000 points, if you find it. The white treasure chest becomes visible on the map if you get close enough. So walk around...
8. The highest scoring player wins.
9. You may play this game many times, learn and improve your high score.

Warning

Be careful when you walk around. Pay attention to buildings, vehicles, animals and other people. Have fun, but do not hurt yourself or others, neither damage any property.
