

Team race

Play with ActionTrack app

Join the game by typing or scanning a code

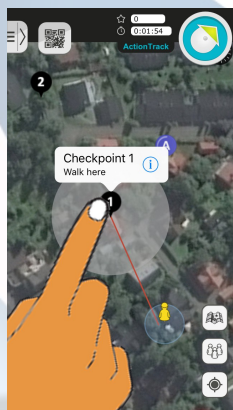

Join this scavenger hunt or city adventure, and visit various GPS checkpoints you see on the map. At each checkpoint you get a different challenge. You may also activate on-demand questions and puzzles by tapping the icons of the screen. The highest scoring player or team wins! Have fun!

How to use the app

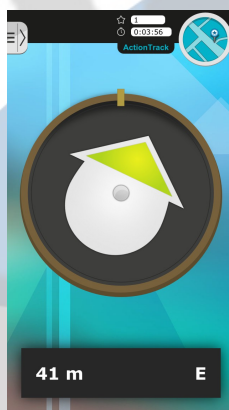

Zoom the map to see various checkpoint icons

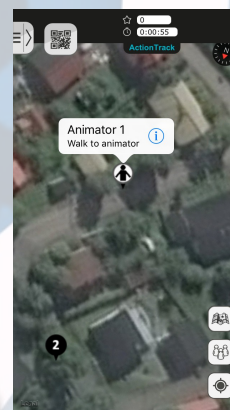

Touch icons to see information and set targets

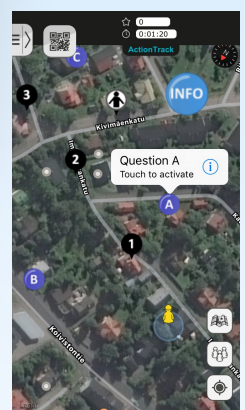

You can also use arrow guidance to the target

There is a person at animator checkpoint to give instructions

Questions and puzzles are activated from the screen

How to play the game

1. Go to the numbered GPS checkpoints and perform various tasks. A task gets activated right away when you reach the checkpoint area.
2. Go to the photo GPS checkpoints, and take different photos based on the instructions.
3. Go to the animator GPS checkpoints, where an instructor gives you a challenge and evaluates it.
4. Activate the question checkpoints (checkpoints with letter icons) by tapping the icons on the screen. You can activate these anywhere and anytime during the game.
5. Activate the puzzle checkpoints (checkpoints with puzzle icons) by tapping the icons on the screen. You can activate these anywhere and anytime during the game.

Warning

Be careful when you walk around. Pay attention to buildings, vehicles, animals and other people. Have fun, but do not hurt yourself or others, neither damage any property.
