

Happy Hour Bingo

Happy Hour Bingo gives you bonus points based on how fast you form 1-line, 2-line and full house bingos. You can select matches from the drawn balls, and in addition, the sum of the last two balls you selected also produces a mark on your coupon. The player with the highest overall score wins.

How to use the app

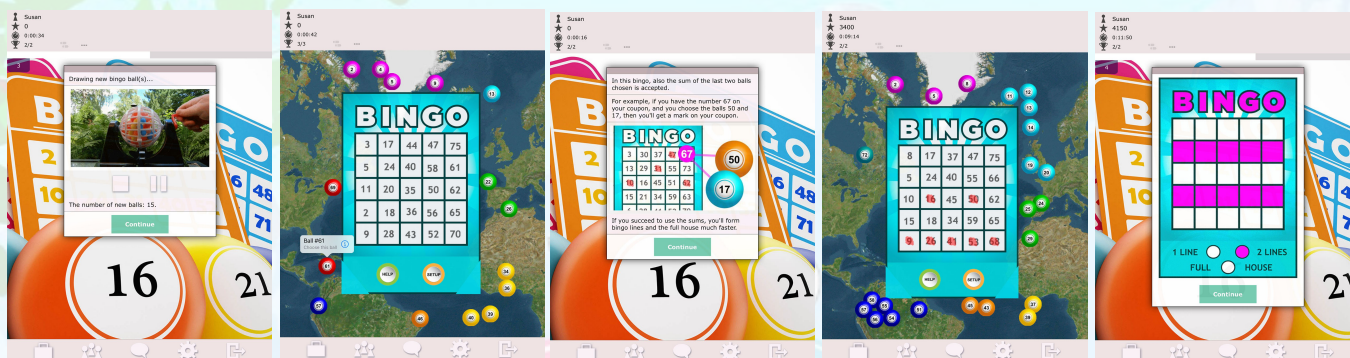

A new bingo ball is drawn regularly (15 initial balls)

Choose any matching ball to get a mark on your coupon...

... or choose two balls sum of which is found on your coupon

Form 1-line, 2-line and full house bingos to your coupon

The faster you form bingos the higher bonuses you get

How to play the game

1. Install the ActionTrack app from App Store or Google Play. Start the app and join the game by typing or scanning a QR code.
2. In the app you can see your 5x5 bingo coupon with drawn balls around it.
3. There are 15 bingo balls available at the start. New bingo balls (1-75) will appear around the coupon regularly as they are drawn.
4. To get a mark on your coupon, please select a bingo ball that matches any number on your coupon. Every new mark on your coupon gives you 50 points.
5. The sum of the last two balls earned is also accepted. For example, if you choose balls 10 and 7 and you have number 17 on your coupon, your coupon will be marked.
6. You get bonus points for the bingos you create based on time used.
7. You get 500 points for one line bingo, plus 50 extra points for every minute under 40 minutes. If you form a line in less than 10 minutes, you get 500 additional points.
8. You get 1000 points for two lines bingo, plus 100 extra points for every minute under 50 minutes. If you form two lines in less than 20 minutes, you get 1000 additional points.
9. You get 2000 points for a full house bingo, plus 200 additional points for every minute under an hour. If you fill the coupon in less than 40 minutes, you get 2000 additional points.
10. The game can either have a preset maximum duration or end time, or alternatively the game ends when you fill up the coupon.
