

CAPTAIN'S GUIDE – HOW TO START THE GAME

1. Prepare your team

- Your party forms one team.
- Select **exactly 4 phones** to use. Several players can share one phone.
- Choose a captain. The captain's phone will be the team's main device.
- Download the free **ActionTrack app** from the App Store or Google Play on all four phones.
- Grant the permissions requested by the app. Location data is used only in location-based outdoor games.

2. The captain joins first

1. Open ActionTrack.
2. Join the game using the **join code** provided.
3. Create a **clan and password** for your team.
4. Join the clan you created.
5. Share the clan password with the users of the other three phones.

3. The other three phones join the team

1. Open ActionTrack on the other three phones.
2. Join the game using the same join code.
3. Join the captain's clan using the password provided by the captain.

4. The captain starts the game

Check that **exactly 4 devices** are shown in the clan. When everyone is ready, select **Continue**.

The game starts immediately when you select Continue.
